Special Features

- The Programme emphasises the integration of subject knowledge, professional knowledge and practical abilities
- The Programme works in partnership with early childhood education institutions to strengthen theory-practice connections through field experience
- Graduates of this Programme will be qualified for registration with the Education Bureau/Social Welfare Department to teach in licensed early childhood settings in Hong Kong, and meet the professional qualifications required of kindergarten principals and child care supervisors
- Graduates of this Programme who complete:
 - the specified courses in the Minor “Diversity in Early Years” will be considered as having acquired training on the One-year In-service Course in Special Child Care Work recognised by the Social Welfare Department;
 - the Minor “Teaching and Learning in International Schools” will be able to earn the International Baccalaureate Certificate in Teaching and Learning
