Doctor of Education

EdUHK is one of the teacher education providers in Hong Kong. Graduates of the University's teacher education programmes are eligible to apply to become fully qualified and registered teachers. As regards teacher registration, graduates should approach the Teacher Registration Team of the Education Bureau (EDB) to submit applications directly. All applications will be assessed by the EDB which will consider, among other things, whether an applicant has been convicted of any criminal offence (including sex-related offences) in Hong Kong or elsewhere, or is involved in any ongoing criminal proceedings or investigations. For details, please browse the EDB's website.

The information provided in this booklet is for reference only and is subject to change without prior notice. EdUHK reserves the right of final decision and interpretation in the case of any dispute.

Every effort has been made to ensure that information contained in this booklet is correct. Changes to any aspects of the programmes may be made from time to time due to unforeseeable circumstances beyond our control and the University reserves the right to make amendments to any information contained in this booklet without prior notice. The University accepts no liability for any loss or damage arising from any use or misuse of or reliance on any information in this booklet. In the event of any disputes regarding the booklet content, the University reserves the right to make the final decision.

Any aspect of the course and course offerings (including, without limitation, the content of the course and the manner in which the course is taught) may be subject to change at any time at the sole discretion of the University. Without limiting the right of the University to amend the course and its course offerings, it is envisaged that changes may be required due to factors such as staffing, enrolment levels, logistical arrangements, curriculum changes, and other factors caused by unforeseeable circumstances. Tuition fees, once paid, are non-refundable.

Students admitted into this programme starting from the 2023/24 cohort are required to visit the Greater Bay Area (GBA) for a short trip (e.g. 1-day or 2-day 1-night trip) in order to complete the Cross-Faculty Core Course. While the GBA trip is heavily subsidised, students are still required to contribute 18% of the estimated cost of the trip ("student contribution"), whereas personal entertainment, meals expenses, travel document fee and personal insurance costs will not be supported. The estimated cost of the GBA trip for students admitted to the 2023/24 cohort is not available yet as it is subject to a variety of factors such as changes to the cost of the GBA trip as a result of inflation, trip duration, traveling expenses, the exchange rate, etc. The exact amount of student contribution is thus not available.
