Internship

- The Internship is a 3-cp / 6-cp compulsory experiential and professional component of the programmes normally held in the first summer break.
- Students will work as an intern in an organisation in Hong Kong, Greater Bay Area, or overseas in the field related to their studies, where they can further cultivate skills and knowledge developed in the programme.
- It aims to provide students with real-life working experiences linked to their career.

BA (Honours) in Creative Arts and Culture – Music / Visual Arts

This BA(CAC) programme is the first undergraduate programme in Hong Kong to **offer arts management and cultural studies** to complement discipline-based training in the creative arts.

It aims to develop **Community-Based Artists (CBA)** who are able to work across a range of established art forms and contribute to the promotion and development of the arts and arts education in the local, regional and international cultural and creative industries.

Programme Features

- Integrative and interdisciplinary approach
- Double benefit of subject-strength and community-based proficiency
- Study beyond borders
- Linking theory with practice by Student Experiential Learning
- Diversified graduation pathways

Career Prospects

The programme provides diversified graduation pathways to students. Students are prepared for a wide range of careers in the cultural and creative industries, the commercial sector, the media, the government and non-governmental organisations.

BSc (Honours) in Artificial Intelligence and Educational Technology

Programme Features

- Internship opportunity to work in relevant organisations
- Experiential learning opportunities in collaboration with organizations and institutions

Career Prospects

- Taking up technical and support positions (e.g, computer programmer, data scientist, e-learning resources designer, educational technology support, teaching assistant)
- Pursue postgraduate study in the field of AI, education or information technology

BSc (Honours) in Integrated Environment Management

BSc (Honours) in Sports Science and Coaching

The **internship training opportunities** in Hong Kong, the Greater Bay Area, and overseas sports organisations will provide an excellent chance for students to have a dialogue with sports leaders, build connections, enrich knowledge and skills, and lay a foundation for their future careers;

Integration of the subject knowledge of sports science, coaching, technology, and life education provides comprehensive training, leading to a wide range of career paths; and

Teaching cutting-edge knowledge by a professional team with leading roles in sports and life education allows students to keep ahead of peers and seize opportunities, striving for success and excellence in the academic field(s) and workplace.

BSocSc (Honours) in Social Entrepreneurship and Development Studies

Career Prospects

- Social Enterprises
- Socially Responsible Corporations
- Non-governmental Organisations
- HKSAR Government
- Business Sectors

Methodological Awareness

- Honours Project/Capstone Project I & II

Conceptual Foundation

- Social Entrepreneurship and Enterprises Management
- Contemporary Development and Social Issues in GBA, Greater China and Asia

Practical Application

- Field Visit and Internship in the GBA or nearby cities in the region

BSocSc (Honours) in Sociology and Community Studies

When Communities Meet Sociology ...

Sociology-based

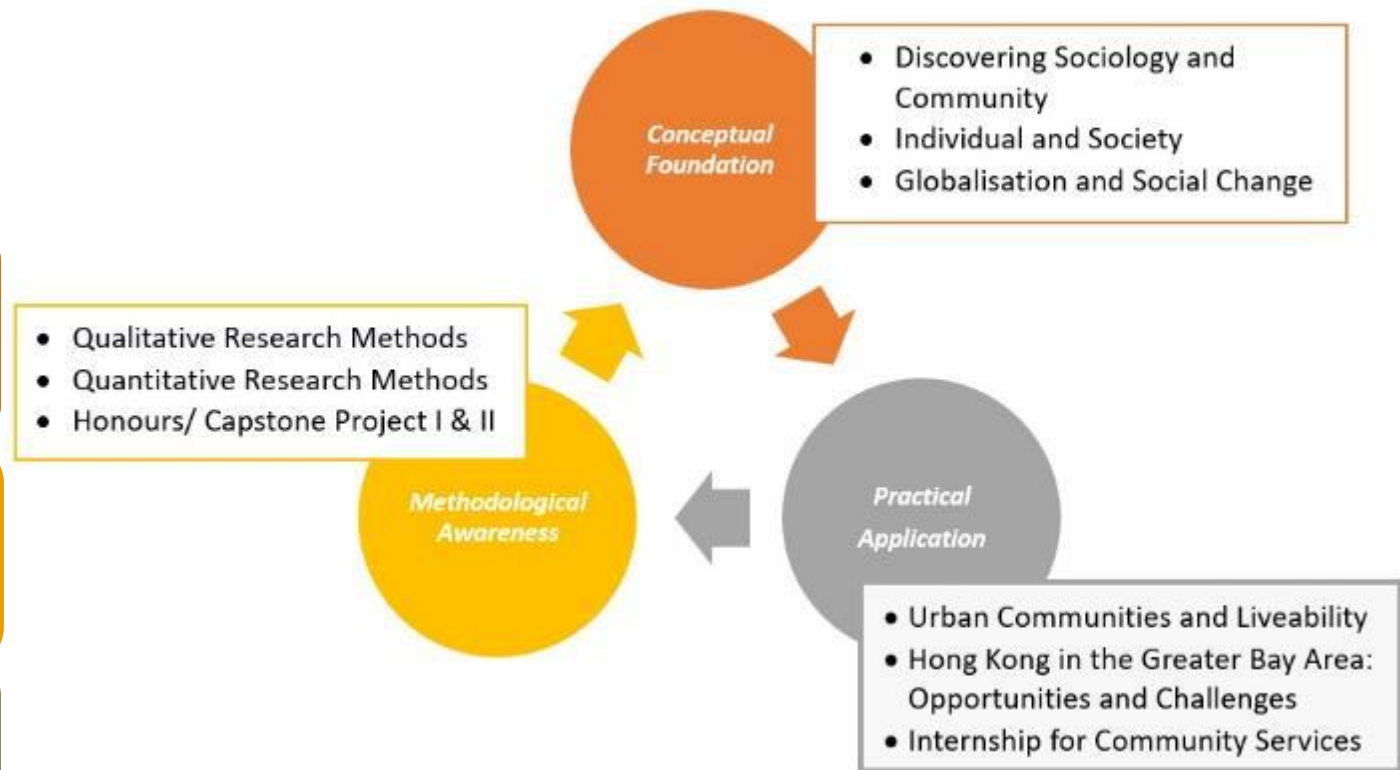

- Analyses the development of Hong Kong and the regional community with the use of appropriate sociological concepts and theories.

Community-driven

- Develops practical and sustainable plans for promoting the betterment of communities at local and regional levels.

Experiential Learning

- Enables students to apply their knowledge and skills through participating in internship.

Bachelor of Arts (Honours) in Language Studies

(Four-year Full-time)

Chinese Major JS8600 (JUPAS) /
NJ8600 (Non-JUPAS)

English Major JS8612 (JUPAS) /
NJ8612 (Non-JUPAS)

Programme Philosophy - Motto

立足香港，放眼世界

Rooted in Hong Kong, Engaging the world

Chinese majors will study Chinese language, literature and culture **with a global perspective**, while **English majors** will study English language, literature, and culture, and will not lose sight of **Chinese culture**.

Programme Aims and Objectives

- Demonstrate a high level of proficiency in the language of their major.
- Demonstrate a level of proficiency in the other target language which will be sufficient for workplace Communication.
- Are able to identify communication issues and resolve relevant problems in context.
- Are critical thinkers with high moral and ethical standards, plus a readiness to question established truths and the confidence and courage to challenge received wisdoms.
- Are equipped with analytical ability to learn from varied social and global contexts whilst having a propensity to turn life's challenges into opportunities for intellectual development and personal growth.

Optional Internship

Employment Status

Employment Status 2021

The programme provides excellent preparation for job opportunities in **media, publishing, journalism, education, cultural management, public administration, museum, tourism, civil service, business and marketing.**

Alumni Sharing

WONG Wing Sum **2020 Graduate, English Major**

As an English-major student, courses provided by the FHM have greatly deepened my knowledge in terms of English language and culture. This allowed me to become a better learner and explorer as the learning processes have successfully enlarged my capacity in terms of learning.

KWAN Ying Ying Winco **2020 Graduate, English Major**

The curriculum is well-designed for students and offers us adequate opportunities to learn modern languages, including French, Korean and Japanese. Throughout my studies, I was glad to polish my Modern Languages proficiencies with professional international tutors and able to discover the beauty of foreign cultures.

Bachelor of Arts (Honours) in Teaching Chinese as a Second Language

你好 = Hello
nǐ hǎo

你好嗎 = How are you
nǐ hǎo ma

NJA4B087
(Four-year Full-time)
(Senior Year Entry)

Programme Features

- BA(TCSL) aims to nurture professionals in teaching Chinese as a second language. Students enrolled into the programme will be equipped with
 - Interdisciplinary knowledge including Chinese language and pedagogy, as well as educational psychology; and
 - The ability to analyse issues related to Chinese teaching in the context of multilingualism and globalisation.
- It is **the first and only undergraduate programme** in Hong Kong to specialise in the field of teaching Chinese as an international language.

Chinese Language Strand

- The BA(TCSL) programme offers a “Chinese Language Strand” to its senior year entrants.
- Students taking this Strand are required to use the 15 cps under the Elective domain to study specified Elective courses.
- Students who successfully graduate with this Strand will **be recognised by Standing Committee on Language Education and Research (SCOLAR / 語常會)** as graduates of a Chinese major degree. They can further **apply for local Postgraduate Diploma in Education (PGDE)** programmes.
